3. The Petitioner holds a provisional Certificate of Vending having URI No. 2643292 under the category ‘*Food/ Snack with gas cylinder/ fire*’ with place of vending being Central Zone, Ward-S-82. The photograph of the

Petitioner's vend has been placed on record and is set out below:-

4. The case of the Petitioner is that his vending activities are being disturbed by the Respondents. It is also submitted by the Id. 6. On the other hand, Mr. Harshit Chopra, Id. Standing Counsel for the MCD submits the Petitioner is vending on a drain which has been covered by slabs. The manner in which the Petitioner is vending is also not on a cart and he is using a cylinder which is much bigger and placed on the drain itself

which would also not be safe.

7. Ld. Standing Counsel for the MCD has handed over photographs of the Petitioner's vend which were taken this morning and the same are extracted below:

8. Heard. A perusal of the above images would indeed show that the Petitioner is vending on a drain which is covered and the same would not be safe for either the Petitioner or for the customers who may be availing of his services.

9. However the Petitioner has been given a provisional CoV under the category of 'Food/ Snack with gas cylinder/ fire'. Thus, the similar conditions as passed in similar matters recently, wherein, vendors are vending under the category of 'Food/Snack with gas cylinder/fire' i.e., in *W.P.(C) 15082/2025* titled '*Rajendra Singh v. - (v) The Petitioner shall also be obliged to maintain cleanliness and hygiene around the vend, which he is working from and shall ensure the presence of a dustbin near the vend;
